Flex 4 – Plastique Base Set Library

First of all, thanks for purchasing this Flex Inc. file!

This is an alternative skin for Flex 4.5. Here you will find some hint on how to add it to your project.

The list of components

The library set includes a list of skins for the following components:

- Button

- ToggleButton

- RadioButton

- CheckBox

- TextInput

- TextArea

- Spinner

- NumericStepper

- ButtonBar

- TabBar

- DropDownList

- ComboBox

- HSlider and VSlider

- HScrollBar and VScrollBar

- Panel

- TitleWindow

Contents

- *flexInc* package including all source files

- *assets* folder including the fonts (and copyright info) used in the project

- *release_notes.txt* including some info on the project (bugfixes, new features, etc.)

- *defaults.css* and *defaults.css* with the skin declarations

- this file

Flex Inc.

enjoy,

marco
